2. On the line of each ingredient determine what BINGO letter number combinations would have to be called for each letter in the spelling of that ingredient.

This is an example of your demonstrating how you would call BINGO to spell your ingredient CHEESE-N1, N2. O1, O1, O4, O1

Example: You would email me your name, address and say, my BINGO ingredient is CHEESE and the BINGO called boxes would be N1, N2. O1, O1, O4, O.

**The participants who send me the highest number of ingredient BINGO sequences will win a prize.**

Entries will be judged at the end of each month.
