

PIZZA SEEDS, SOIL & SCRIPTURES

**Relate journey of pizza to soils, seeds and scriptures!
Describe and illustrate in drawings.**

Complete the following information:

Name _____

Your email _____,

Address _____ Email your answers to e1935w@aol.com

or send to a designated teacher or

*Pizzathon Partnership, 4001 Fletcher Blvd., Ames, IA 50010.

Brainstorm as you enjoy your favorite pizza!

What is the name of your pizza (team)? _____

As you plan your mock pizza

business, develop a toppings recipe for your special pizza focusing on seeds, vine and branches.

Research to determine the journey of seeds to vines and branches related to toppings on your pizza. (Illustrate your biblical interpretation of soil, seeds, vine and branches.)

Refer to Matthew 13, John 15: 1-10, Mark 4:26, Luke 8: 3-13.

Draw and describe. In the Plexiglas experiment illustrating the value of soil and water conservation use the outcome to relate to biblical scriptures.

Use conservation practices to control eroision!

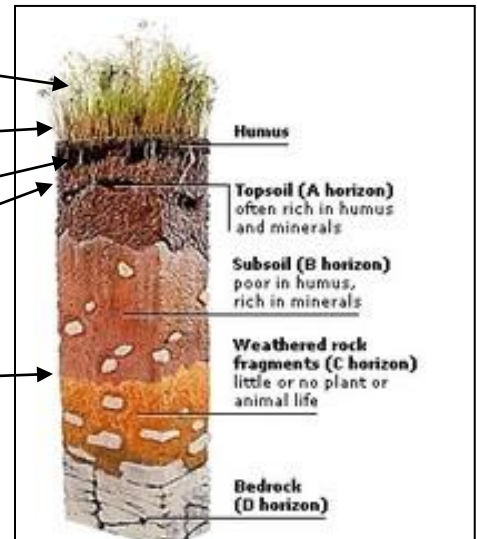

Sand

Branches

Vine

Seed

Topsoil

Describe your work and email for competition.

Selection of winners will be made at the end of each month and prizes provided to winners.
